

New Castle Christian Academy

PARENT/STUDENT AGREEMENT

New Castle Christian Academy does not discriminate on the basis of race, ethnicity or national origin in the administration of student admissions, programs or financial aid.

New Castle Christian Academy recognizes that it cannot meet the educational needs of all children. It is a school offering a high quality of Christian training, but it is not designed to be a correctional institution for problems arising beyond those usually encountered in average school children. While we love all children, the school is just not equipped to meet some needs. Some children do not adjust to a disciplined, academic environment and find excuses to criticize the policies and decisions of staff and administration. In such cases, the school reserves the right to have full discretion in the discipline, to place such students on probation for a reasonable, corrective period of time, and to dismiss any student who does not cooperate with the total, educational process.

The administration and teachers at *New Castle Christian Academy* have set guidelines and rules in the student handbook that we believe to be proper conduct and processes to help educate your children. If the parent is in agreement with these guidelines and rules, then they, by signing this paper, agree to back the administration and teachers in carrying out these guidelines and rules. **The parent and student should carefully read through the student handbook before signing this paper.** By signing this paper, you are stating that you are giving *New Castle Christian Academy* the authority to help train, educate, and discipline your student under the guidelines stated in the student handbook.

The *New Castle Christian Academy* staff and administration to secure this cooperative effort in your child's education maintain close cooperation with parents. Your cooperation as a parent/student is essential if this student is to be educated properly. It is not the sole responsibility of the school to educate your child. The parent(s) is given the responsibility by God to carry out this education, and *New Castle Christian Academy* is here to help with this task. However, the parent/student and the Academy must be in cooperative effort to succeed.

If there comes a time when you as a parent/student do not agree with the school, please come first and talk to the Administration about the concerns. If it cannot be worked out, then you have the right to place your child in another educational institution. The administration also reserves this same right to request that the student be moved to another educational institution.
